

GLEN OSBORNE BOROUGH
MINUTES DRAFT
May 2, 2022
COUNCIL COMMITTEE MEETINGS

CALL TO ORDER

The regular committee meeting of Glen Osborne Borough was held in Osborne Elementary School, on Monday May 2, 2022, at 7:00 p.m.

The following council members were in attendance at the meeting:

Bill Monski, John Orndorff, Jim Cohen, Holly Merriman, Mary Scalarcio and Tom Huddleston

VISTIORS

None

PUBLIC SAFETY

JIM COHEN reported that he spoke with Clint Reilly of NIRA regarding the moving of the yellow lines on Beaver Road in front of Osborne Elementary. The most the lines could be moved was 1 foot. It was suggested by NIRA the lines remain the same.

Jim reported that both sidewalk and parking ordinances were still under review pending a NIRA survey of the Borough Roads. In addition, Jim is exploring language to replace the current parking permit ordinance. Tom Huddleston indicated he had placed an email to EDP requesting an overview of the process for council to review all ordinances within the Borough for update purposes. EPD has not gotten back to him.

Lastly, Jim is exploring options with in the Borough and community regarding deer management. There are two hunting clubs who can provide private archery services. Tom Huddleston suggested this topic be presented at the next Presidents and Mayors meeting.

Public Works

John Orndorff discussed receiving a \$7200 bid for the clearing of the Hays Run culvert. However PennDot will not clear the Haysville portion. The concern is timing of Osborne performing this work but having to repeat it again should Haysville not clear their portion. Further discussion is warranted.

John Orndorff presented the ARGIS mapping project that NIRA is performing. This project creates an interactive web based map of the Boroughs infrastructure. The project to complete the entire Borough would cost \$1500. John Orndorff is to firm this pricing up with NIRA and present final options at our upcoming council meeting.

John Orndorff brought up the idea of Glen Osborne obtaining a new storage unit as Wick has indicated the current shed is very old and sits on property owned by the Sewickley Water Authority. This will be reviewed further.

Lastly, John Orndorff made a motion, seconded by Jim Cohen to appoint President Huddleston onto the Planning Commission. The vote was unanimous by council, thus placing Tom Huddleston on Planning Commission effective immediately.

Public Services

Prior to this report council observed a moment of silence in recognition of the passing of Councilman Dr. Bob Ryan.

Bill Monski reviewed the veteran banner program with council. His review included a sample of the actual banners to be hung, the registration process, and marketing plan. A final vote of this program is scheduled for the next council meeting. If passed, it is estimated the first banners would be hung prior to the 4th of July.
